OMNI 1 - CFMT (OMNI.1) has expanded its reach to approximately 90% of viewers in the province of Ontario. CFMT (OMNI.1) is also available to viewers across Canada via cable systems served by ExpressVu satellite distribution systems & in the province of Quebec, via Star Choice & Look TV. As a leading provider of ethno cultural television programming, CFMT (OMNI.1) broadcasts 60% of it's programming in no less than 15 languages to communities encompassing more than 18 cultures. Its ongoing commitment to reflecting the evolving needs of its diverse audience is evidenced by a regular production schedule that sees more than 22 hours of original multilingual programming produced each week - including a one hour Italian language newscast on weeknights, & a Portuguese language newscast that airs each weekday. www.omni1.ca (10965)

OMNI 2 - OMNI.2 has significantly expanded the variety of languages, number of hours & choice of programming being offered for ethno-cultural communities throughout the province of Ontario. As a companion diversity channel to CFMT-TV (OMNI.1), OMNI.2 provides programming in 20 additional languages, for 22 more ethno-cultural groups, & air no less than 70% of its total programming overall in language - more than 80% in peak prime time. CFMT-TV (OMNI.1) will principally serve the local European, Latino & Caribbean communities, while OMNI.2 will focus on programming that reflects the local Pan Asian & African communities. www.omni2.ca (10965)

Real Estate Television RETV - Rogers Real Estate TV runs a series of 15-second real estate listings customized for 6 distinct markets, York, GTA West, Toronto, GTA East, Ottawa, & Kitchener. Rogers Real Estate TV also runs 30 & 60-second full-screen commercials for companies seeking to reach consumers who are in the ever-lucrative buy, rent, or sell phase. RETV's 'NEW HOMES' Feature: Full-motion, infomercial-style promo, featuring only two new developments. Each property promo is two minutes in length. Each promo airs once per hour, 24-hours a day, 7 days a week for 60 consecutive days - A frequency of 168 occasions per week, or 1,440 over the 60 day period. (10996)

TechTV: TechTV is the digital channel that showcases the smart, edgy, & unexpected side of technology. By telling stories through the prism of technology, TechTV intrigues viewers with everything from help & information to cutting-edge documentaries to outrageous late-night fun. www.techtvcanada.ca (10096)

SUN TV – SUN TV is the first English language conventional broadcast station to launch in the city in almost 30 years. The average age of our Viewer is 44. Relative to our conventional competitors, we are one of the youngest stations in the market. www.toronto1.ca (10096)

TV Listings - The TV Listings channel is an information destination. Viewers can not by-pass commercial messages. Commercial messages are delivered simultaneously with the information content they are seeking. The TV Listings channel gives advertisers the ability to run their ads only in the markets they are targeting, or alternatively, to advertise nationally. The Rogers TV Listings channel is measured by AC Nielsen's Media Advisor, which reinforces the cost-efficiency of our rates. Commercial messages run at a high-frequency; with a minimum of one commercial per hour, 24 hours-a-day, 7-days-a-week. That's 168 commercials per week at a very modest unit rate. www.tvlistingschannel.ca (10996)

Print

905 LIVING - The latest addition is the ideal tool for all advertisers in the suburban 905 regions of Toronto. With a west edition & north edition, 905 Living is printed in a large size format, with interesting & relevant editorial & is perfect for companies with specific targets markets. (10200)

Astral Media Outdoor - Astral Media Outdoor is one of the most innovative & fastest-growing outdoor advertising companies in Canada. Renowned for its creativity & the quality of its sites, Astral Media Outdoor operates a network of approximately 3,500 advertising faces in Quebec, Ontario, Alberta & British Columbia. In addition to being the first outdoor advertising company in North America to have created the "Classic" vertical format in 1987, the company has distinguished itself through its impressive network of 650 urban Columns, an innovative street level advertising concept in partnership with the City of Montreal. AMO has made a name for itself through the originality of its gigantic Murals in Toronto & an outstanding network of "Max" super boards & "Zontal" (horizontal) billboards. It also operates the indoor & outdoor signage networks at Montreal (Dorval) & Quebec City Airports. Through BNL only. www.astraloutdoor.com (10643)

Byte Media Inc. - Digital Signage advertising in public venues-targeting youth & younger business professionals. www.bytemediainc.com (12343)

Concourse Media offers large LCD television advertising space within the TD Centre (20 screens), BCE Place (12 screens), & Commerce Court (6 screens). Reach 250, 000 people per day. (12056).

Cutting Edge Production Inc. - Moving Squares. Our Company has Plasma Screen Displays in different locations through out the city. Displayed on the screens is information. Such as: real time news, sports, weather, & real time full motion video advertising. We have a screen currently in one of the busiest restaurants in Toronto. The Pickle Barrel on Leslie Street (right at the front of the line in everyone's face) Between 10,000 to 15,000 people go through that location every week - on a Saturday night alone the line up is from 5:30 till 9:30 pm with an average wait time of 10 - 15 minutes... therefore approx 1600 people on a Saturday night alone will see "your ad" at least more than once. What we have to offer is a high-impact, dynamic medium that allows precise audience targeting at a point of purchase. The rich, high quality full motion imagery of the electronic plasma colour screen display driven by our proprietary software attracts attention & creates a lasting impression. We guarantee Five 30 second ads playing once every hour or a 10 second ad playing an average of every 2 - 3 minutes. www.cuttingedgep.com (10359)

EcoMedia Direct: Affordable outdoor advertising on all major traffic arteries & major intersections. Available in areas not accessible through conventional outdoor media venues. Reaching both vehicular & pedestrian traffic. Target a specific area, by neighbourhood, trading area, trendy districts, or direct customers to your location. Silver Box, Heritage Box, & Super Box configurations available. Silver Box & Heritage Box's both have two 30" X 60" ads per box, one ad on traffic side, & one on pedestrian side. Super Box's have a full vinyl wrap of top, front, sides, & back of the box for ad space. Contact BNL for more information. www.eco-media.ca (10529)

Exclusive Media - During the rush hours, GO moves as many people into downtown Toronto as eight congested expressways (the equivalent of 48 highway lanes of traffic). Put your message at eye level with the elusive business professionals which commute via the GO on daily train trips averaging 45 minutes each way. Exclusive Advertising's fantastic demographics allow you to place your message in front of an influential audience with buying power. 83% of riders are aged 25-54 years old, & have average incomes exceeding \$96,000 per annum. Take advantage of Exclusive's poster faces & digital displays maintained throughout the full fleet of 375 passenger cars. For more information visit our website. www.exclusivead.com. (11051)

Impulse Media - is a digital media company that operates a retail television network located inside select Pharma Plus retail locations throughout Ontario. Impulse Media reaches & engages consumers while they are shopping in Pharma Plus drugmarts. We provide advertisers with the opportunity to communicate directly with consumers as they make their purchasing decisions. Pharma Plus drugmarts are large full-service pharmacies with an extensive selection of cosmetics, health products, general merchandise & health selections. Pharma Plus is part of the Katz Group Canada network, Canada's leading integrated retail pharmacy network. The Pharma Plus locations that comprise the Impulse Media network are the locations that process the most transactions, over 8,000 per week. www.impulsemmedia.tv (12056)

International Media Advertising - Target wealthy commuters through the entire GO Train Network via platform poster advertising with IMA. Statistics Canada reports that the 905 area code is now more heavily populated & wealthier than the City of Toronto. As the suburban communities continue to grow in both size & wealth at this rate, it is clear that this specialized niche group that we have focused on will remain a vital part of many out-of-home buys. 85% of the GO riders are aged between 25-54, & 61% are OMP. With the tremendous growth in GO ridership (35% increase in the past five years alone) IMA expanded the 4' x 6' network by over 550%. IMA recognized that the niche market of GO STATION commuters was a truly untapped group in which we could provide access to the affluent, mobile, suburban market to the advertising community. www.imaoutdoor.com (10986)

Onestop Network - Onestop's TTC Network is Canada's largest digital private network with more than 1 million unduplicated viewers each week. www.onestopmediagroup.com (12092)
