CAREFUL HAND LAUNDRY & DRYCLEANING – GIFT CARDS - LOCATED ON DUPONT BETWEEN SPADINA & DAVENPORT – Careful is the garment care specialist of choice in the GTA. We have advanced technology that allows us to list & store information about your garments, such as colour, material, incoming condition of the article (i.e. missing button, tears, etc.). We tag your garments with a fabric fastener, rather than a staple (which can rust & stain the garment, or cause snags & tears). Our cleaning is carefully controlled. We separate the loads placed in the machine into categories such as lights, darks, heavy & delicate, & never cutting short on drying cycles. There are never any solvent odours in the plant or the depots. Our signature shirt service extends the life of your shirts by properly washing & pressing your shirts. We do not shrink collars or cuffs. Your collars & cuffs are pre-spotted when required. All our shirts are hand-finished to give that "like new" appearance. French Cuffs are neatly & expertly folded. Gift cards are \$100 each & Multiples can be used at once. Located at 206 Dupont Street, between Spadina Rd. & Davenport. Call BNL!

This therapy targets a number of essential areas necessary for true facial rejuvenation:

- Immediately increases in facial circulation & cellular metabolic activities & regeneration
- Immediately promotes lymphatic drainage
- Increases alkalinity (PH) of the skin
- Gently stimulates facial muscles to tone & firm, as well as collagen & elastin production (Which naturally decreases with age)
- Speeds healing process of dermal issues
- Softens scar tissue & repairs tissue from a cellular level
- Treats expression lines, fine lines & signs of aging, all skin issues, including rosacea, skin discoloration & acne/scarring
- Stimulates cellular re-growth, contributing to repair from all skin conditions
- Increases skin permeability allowing any topical applications to be absorbed deeper into the skin to promote healing (e.g. Applied facial nutrients, moisturizers, healing plant oils), deepening the therapeutic effects of topical moisturizers, etc.
